

Paw Paw Community Education Cedar Street Center Childcare and Preschool Fees Effective Tuesday, September 8, 2009

To participate in our childcare programs, newborns must have a medical release to begin attending. To attend PAC (Preschool Age Care) programs, children must be at least 2 1/2 years old, toilet trained and able to play and learn cooperatively in a childcare setting. To attend BASE (Before and After School Elementary) or other SAC (School Age Care) programs, children must be Kindergarten age thru 12 years old and able to play and learn cooperatively in a childcare setting.

We do offer discounts for full time enrollment (Monday-Friday). Parents with a child enrolled full time also receive a free day of care each month when pre-paying for childcare services a month in advance.

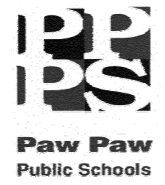

Note that family discounts apply to the fees of the child with the lowest fees.

We do not offer drop-in care. Parents with children enrolled may have limited opportunities to add days to their children's schedules as space is available. Please note, however, that any changes beyond two schedule changes will result in a charge of \$30 per change. Special arrangements for schedule changes to accommodate parent work schedules may be available if pre-arranged and verified.
